

THE K7LED RELAY

Merry Xmas
AND a
Happy New Year

1973 XMAS PARTY

The annual Xmas Party for 1973 was held on December 8th at the McMicken Heights Improvement Club. The affair was well attended by 68 members, spouses and guests. A real fun time was had by all with dancing until 1:00 AM to music furnished by Pete, K7IPQ, and an excellent potluck dinner.

Although Santa Claus was unable to attend the party and pass out the presents, Santa did send along a helper of somewhat dubious character and a tall, sexy blond companion by the name of Daisy who seemed to have lost some money for she kept asking people if they had five dollars. Say, come to think of it, the only people that she asked were the men. Hmmmamm? Oh well. And aside from the fact that Santa's helper had a little trouble with his apparel, they did manage to get a large sack of gifts distributed to the group.

The party was a financial success as well running about \$50.00 in the black according to the acting chairman Al Free.

IMPORTANT NOTICE!!

Nominations are being solicited and will now be accepted by the nominating committee for the "Pop Brown" award. The recipient of this award, which is for outstanding contribution to ham radio, will be presented to the winner at the spring banquet on April 20th, 1974. Nominations and your comments as to why you think that your nominee should receive this award must be in writing and signed.

The members of the nominating committee are Pete - K7IPQ, Ken - K7PZX, Bill - K7LHY and Steve - K7KOT.

THANKS FROM THE VICE PRESIDENT

The Christmas Party and the Santa Talk were highly successful this year, not because of anyone individual, but because of the efforts of all the individuals involved.

Even the words success and failure are meaningless without the "U". Our success would not have been possible without so many "U"s.

My personal thanks to all of U.

Al, WA7LWP

AMATEUR RADIO CODE AND THEORY CLASSES

Pete, K7IPQ, announced that he is considering conducting code and theory classes for persons wishing to obtain a technician class license if he can get enough people who would like to attend this class. The class would be primarily for, but not restricted to, XYL's. Pete said nothing is definite at this time but that the classes would probably be held at the Sheriff's Dept. in Kent. Any person interested in getting a technician class license should contact Pete for further info.

NEW MEMBERS

Two applicants for membership were voted into the MIKE AND KEY RADIO CLUB at the December 15th business meeting. The new members are John Smart, WA7SLC and Ernie Davis, W7JUP. Welcome aboard fellows.

Application for membership was filed by Chris Holt, WA7RJW and for Debbie Holt. Chris and Debbie are being sponsored by Al, WA7LWP.
